

STRANDBAD BERNAU

This architectural rendering depicts the Strandbad Bernau, a modern beach facility. The main building is a long, low-profile structure with a flat roof and a facade of light-colored wood slats. To the left, a white wall features the name 'STRANDBAD BERNAU' in a dark, serif font. A large, mature tree with dense green foliage stands on the left, casting a shadow over a paved area. In the foreground, three white human figures stand on a paved path that leads towards the building. The path is bordered by green grass and a gravel area. In the background, a covered outdoor seating area with tables and chairs is visible, along with a body of water and a blue umbrella. The sky is overcast with soft, diffused light.
